

SAFETY CATCH

TRAINING & CONSULTING PVT. LTD.

ABOUT US

Safety Catch was founded in 2010 with a vision to help humanity thrive by reducing accidents and ill health due to work.

OUR VISION

- To be India's most preferred safety training academy
- To enable youth getting skilled and employable
- To contribute in reducing accidents / ill-health due to work

OUR MISSION

- To help every worker go back home safely
- To help humanity thrive by raising the standards of Health, Safety and Environmental literacy levels through high standard professional and vocational education, consultancy & training

OUR VALUES

- Commitment, quality & discipline
- Visible leadership
- Continual and sustainable growth

OUR SERVICES

Our highly experienced trainers design unique training & consultancy solutions to each client based on their risk profile, referring to international/national standards and best practices and this makes our services most effective and gets you the return on investment. This approach sets us apart from other such service providers.
